U.P.S (United Parcel Service)

Aug 2021 - current / Williston, VT

- Ground Delivery Driver.

### Software Developer

Phantom Theater

Nov 2020 - Dec 2020 / Warren, VT

- Worked on the website styling by materializing client's aesthetic request with React, CSS and Bootstrap.
- Served as version control manager, styled admin dashboard, and created "firefly" animation.
- Technology used included FERN Stack, Bootstrap, CSS and GitHub.

### Industrial Cleaning

OKClean Cleaning Service

Jan 2014 - July 2021 / South Burlington, VT area

- Family-owned industrial cleaning business serving clients in South Burlington, VT area.

## PROJECT

### Phantom Theater Web Site

Full Stack Developer

Nov 2020 - Dec 2020

- Member of a team tasked with developing a user friendly, dynamic web application to store and present media in a unified layout, easily manage new artist information, automate updates across the site, and maintain the vibe of a rural Vermont theater on a summer evening. Conducted weekly client meetings to review and refine the project.
